

Supplier Communication – March 2020

Easter Closure Dates

All Team Leidos depots will be closed to Trade deliveries from close of business Thursday 9th April through to 0800 Tuesday 14th April.

All suppliers should ensure that if they wish to deliver before the closure, they book their slot in good time and any suppliers who would normally deliver on these days should ensure that they make timely arrangements to deliver ahead of the closure.

If you have any queries please contact your usual CSS Supply Chain Co-ordinator or Commercial point of contact.
